

“Seed Sower” Volunteer Form

We appreciate all volunteers who sign up to help at The Rainbow Garden. Your time and efforts are valued and an investment to your child’s preschool program. This volunteer sheet is designed to give you an opportunity to volunteer in areas that benefit the entire school.

In addition, there will be a classroom volunteer sign up available at student orientation for the opportunity to help with class parties, assist with special activities in the class or help from home with class projects and art work.

The volunteer opportunities that are done during school hours on site must meet the required regulations and policies of the Pinellas County License Board and The Rainbow Garden. All volunteers are required to sign and date a Volunteer Affidavit Form before they begin to volunteer at The Rainbow Garden. This form is required to be signed each school year.

Volunteers sign in at the school office and are required to wear a visitor’s badge while at the school. To stay in compliance with the Pinellas County License Board, Siblings are not permitted on site while you are volunteering. Please make child care arrangements for the volunteer time frame.
